We are experiencing increased use of photos and video recordings during worship and the life & work of WUC. Please note: there will be photos/videos taken of participation on behalf of the church (or during the programs) with the intentions of using the photos/videos on the WUC website, social media and/or for internal church use (for example, a video created for worship or display on the PowerPoint screen). Names and identifying information will not be used in these situations. If you prefer your child not be photographed, we ask that you speak directly to Shannon MacLean and we will do our best to ensure your child is not in any of the photos, videos or group photos. Thanks!
