

Woodlawn Men's report to Council

November 17, 2008

Our ninth annual "Sweet Evening" with the City of Lakes Barbershop Chorus is coming up on Nov. 30, tickets still available. An added feature this year will be Mr. Jim Enman, songwriter, singer and guitarist.

On Dec. 13th our men will host the Dartmouth Christian Men's Prayer Breakfast. More than 60 men attended last year, we would love to see more Woodlawn Men out. This is a Saturday morning, not a working day for most men. October marked our 25th anniversary of meeting for breakfast, part of our program will be a celebration of those 25 years.

Our September breakfast featured Valerie Kingsbury, current chair of Maritime Conference and minister at St. Johns United Church in Fall River. Valerie was a very helpful resource person to us at Woodlawn the past few years and is always an engaging speaker.

October featured Brenda Watt, an employee of Bell Canada, Past Chair and President of the North West Commercial Travellers Association, Chair of the Board of Saint Johns United Church in Halifax, niece of Dulcie Joyce and a very interesting speaker.

As I write this we are looking forward to Tuesday morning and our guest speaker, Rev. Padre Matthew Lucas, supply minister at East Preston Baptist Church and a military Padre.

For those energetic enough to get out at 7:00am these are uplifting and energizing mornings.

Respectfully submitted,

Ralph Sams
Secretary / Treasurer
Woodlawn Men
