

YOUTH REPORT

A meeting was held at Barry & Shirley Zwicker's with Valerie, Phillip & Keith & I to discuss ways in which we could support the Youth & Sunday School Coordinator. After 3 hours of discussion it was felt that for now for the youth I would continue to let Sarah know that I am there for her to help with plans she may have. But basically to let her know that seven hours of paid time is not a lot. By the time she does her preparation for Sunday morning & actually attend Sunday class there is not a lot of time left. It was felt that she should be only trying to plan up to three big youth events this year. This is a year in which we are trying to build up our youth program & we don't want Sarah to get overwhelmed with too many activities all at once, as there is a lot of time & preparation that goes into these functions.

Since last meeting:

A Halloween party was held.

The Youth were part of the Stewardship program by attending & participating in the Children's time at Sunday service.

They have chosen two shoe boxes & are going to fill them for a teenage boy & a teenage girl. Each youth has been asked to bring in \$5.00 to contribute to this. Sarah is taking them shopping with her to get the gifts.

They are taking part in the White Gift Sunday.

A Christmas party in the form of a sleep over has been planned for the Church.

The Youth will usher & greet at the 7pm service Christmas Eve.

Expenditures:

Costs are approximate as the receipts were all ready sent off to Carolyn:

Camp Kidston: The bus \$500.00

Food \$200.00

Cost to rent the camp \$16.00 per person \$208.00

Each Youth was charged \$25.00 to attend.

Halloween Party: Each youth paid \$5.00 but the food total was \$30.00 as well.

There does seem to be a few issues in communication between Sarah & myself but we are working on a process for the future. She is a busy young woman with University studies as well as her other job.

This ends my report for the youth for the month of November

Regards,

Jan Musselman

Youth Chair
