

## YOUTH COMMITTEE

Oct 7/2008

Submitted by Jan Musselman

We are a new committee. We consist of Sarah Sampson, acting Youth Coordinator, Dawn Coleman, Jacob Daniels & myself.

We have had one meeting to try & project activities for the remaining of the fiscal year. The youth retreat will happen Oct 10-12. Approximate youth attending 10-15. As this is the first function of the year it will be a go no matter how many youth sign up.

Chaperones are in place & have been checked for their police screen.

Cost for weekend. The bus is \$565.00. Although each youth will be paying a fee (approximately 25.00) it will not cover the costs of transportation & food.

Upcoming events:

Still in the planning stage but hope to happen:

A visit to a corn maze in Truro. Cost to be recovered by those attending.

A Halloween Theme. Sleepover in the church with ghost stories & pumpkin carving etc. Would like to contribute some way towards Nov 11th Celebration at church by having a memorabilia table set up.

Bowling

Christmas party at someone's house

Decorating the youth room for Christmas. Will be asking the congregation for any donations of unwanted Christmas Decorations.

For now we are part of CD as far as a budget is concerned. I believe last year under Nick Allen we budgeted for 1500.00. I am not aware of what the actual expenditure was.

To date we have spent monies on a new curriculum for the youth \$ 262.35 This has never been done before. We are also looking at getting more "youth friendly" bibles this year.

Most other events we hope to be cost recovery.

Expenditure this period: \$ 827.38

Expenses to come. The cost of the bibles if we go ahead with it. The youth have requested a white board instead of a chalk board in their youth room. Someone has allergies/sensitivities to chalk dust.

Respectively submitted,

Jan Musselman
