

# Woodlawn Men's report to Council

September 16, 2009

The new season for our monthly breakfast kicked off on Sept. 15 with Rev. Jeff Lutes as our guest speaker. 31 men turned out to hear Jeff speak about the need for strong Christian witness. Jeff is the President of Harvesters Media Group who have seven broadcast licenses in the Maritimes including CJLU in Dartmouth at 93.9fm. Their music centers around Southern Gospel, Christian rock and adult contemporary. They rebroadcast many Christian programs including the church service from Timothy Eaton Memorial with Rev. Dr. Andrew Stirling.

On November 27<sup>th</sup> we will host our 10<sup>th</sup> annual "Sweet Evening" with the City of Lakes Barbershop Chorus. A wonderful introduction to the Christmas season.

On December 12<sup>th</sup> we will once again host the Dartmouth Christian Men's Breakfast group.

Don Hill and Bob Lindsay are working on the steering committee that will present a conference wide Men's Rally in Amherst on May 1<sup>st</sup>, 2010.
