Hello all,

Hope your New Year is started well in good health and much happiness! Special greetings to any Snowbirds getting this email!

Here are a few notices worthy of your attention:

1. Woodlawn as a **Community of Care: YOU** have a role (sizes to suit all!!) to play in this as a member/adherent of WUC. How we might best organize to perform these roles is the topic of a **workshop this SATURDAY, Jan. 23 from 9 - 11:30AM in the Hall**. Fresh muffins and beverages will be available upon arrival. Come and be a part of WUC history in the making! You can attend without having to commit (although we hope you will want to!!).

2. **Helping HAITI Relief through M&S:** If you are looking for a way to help, check this link:

<http://www.united-church.ca/communications/news/response/100113>

The UCC is teamed up with agencies already on the ground in Haiti, and our gifts go to help the stricken right away. Your gift to M&S marked for Haiti Relief will be part of a special UCC effort in that direction. These gifts are over and above ("supra" gifts) our regular commitments to M&S, and will be receipted in the usual manner. On your church envelope, mark your HAITI contribution and identify it - on the OTHER line. Regular M&S givings go on the regular M&S line. THANKS from a hurting people!

3. **TABITHA Unit's 125 Chili Sale** is this Sunday after church in the Hall. This is a 125th Anniv. Project, and, after church, you can take your lunch with you! Stay to "prep for paint" or take it home and enjoy. Only 125 available @ \$5 each!!

4. **PAINTING PARTY:** Sunday School class rooms to be done with volunteer painting fun-seekers - after church the next 2 Sundays (24th and 31st). This week - Prep. Next week - Paint.
